OUR MISSION:

The Greater Rochester Chamber of Commerce is organized to advance and promote the general welfare and prosperity of its members and to enhance the quality of life in the area.

About the Chamber

The Greater Rochester Chamber of Commerce is an active, non-profit business membership organization comprised of businesses and professionals throughout northern Strafford County who are dedicated to fostering a favorable economic climate in which to live and work. Our members provide financial, in-kind, and volunteer resources to the business community.

The Greater Rochester Chamber of Commerce also serves as an information resource to the community with an Information Center located in our foyer for residents and visitors. The Information Center distributes relocation packages, legislative guides, community, event brochures, northern Strafford County street maps, regional and state highway maps, a magazine that promotes Rochester and surrounding communities, community recreation information, COAST public transportation schedules, state attractions, and more. The Chamber also provides information promoting the products and services of its member businesses.

Being a Chamber member allows you to expand your contacts and networking opportunities for your business or organization.

By sponsoring Chamber events, programs or publications, you'll increase your business or organization's visibility in the Greater Rochester community.

Strategically planning sponsorships for the fiscal year not only is helpful for budgeting purposes—it also ensures you'll get the maximum exposure with the promotional opportunities that sponsoring offers.

This guide will walk you through our major events, special events, programs and publications with detailed sponsorship information for each. Chamber staff are ready to assist you with determining which promotional opportunities will be a good fit for your business or organization.
